

# WELCOME

*We are pleased to have you back in the Galleries!  
The Arnot Art Museum continues to comply with  
all local, state, and federal regulations regarding  
public health.*

**Physical distancing, mask use and personal hygiene are the most effective measures within your control to help maintain a safer environment and slow the spread of illness.**

## **THINGS YOU SHOULD KNOW:**

- mask use is mandatory during your visit
- physical distancing is mandatory; please observe the CDC's recommended 6 feet distance from others at all times
- no-touch thermal scans are required for all guests  
*100.4° is the maximum acceptable temperature for entry*
- do not visit if you are exhibiting symptoms
- limit the number of personal belongings you bring inside
- sanitation stations are available throughout the Museum
- Museum team members sanitize high-touch surfaces regularly
- please follow the one-way directions through the Galleries
- use the printed one-time-use map available at Guest Services
- only one visitor or social group at a time may use the elevator
- single-user restrooms are available and are sanitized regularly
- team members conduct daily health checks before beginning work
- visit the Guest Services Desk if you have any questions
